Hoewel aan deze informatie de grootst mogelijke zorg is besteed, kunnen er geen rechten aan worden ontleend. Steco BV aanvaardt geen enkele aansprakelijkheid die voortvloeit uit de inhoud van dit overzicht.

\* voor veilig gebruik is een goede klemming vereist, hierdoor kunnen kleine beschadigingen ontstaan

Although this information has been given the greatest possible care, no rights can be derived from it. Steco BV does not accept any liability arising from the content of this overview.

\* a good clamping is required for safe use, as a result of which small damage may occur

# Step 1

Unpack and place on the 4 holes in the box floor.

Included assembly parts

4x inbusbolt (inbus 6)

4x ring up and 4x ring under

4x self locking nut (wrench size 13)

# Step 2

Fix the four bolts with the rings, placed most to the front. Not too tight.

# Ready!
